Mr. COLLINS of Georgia, from the Committee on Rules,  
submitted the following

## R E P O R T

[To accompany H. Res. 720]

The Committee on Rules, having had under consideration House Resolution 720, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

### SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 4641, to provide for the establishment of an inter-agency task force to review, modify, and update best practices for pain management and prescribing pain medication, and for other purposes, under a structured rule. The resolution provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Energy and Commerce. The resolution waives all points of order against consideration of the bill. The resolution makes in order as original text for the purpose of amendment the amendment in the nature of a substitute recommended by the Committee on Energy and Commerce now printed in the bill and provides that it shall be considered as read. The resolution waives all points of order against that amendment in the nature of a substitute. The resolution makes in order only those further amendments printed in part A of this report. Each such amendment may be offered only in the order printed in this report, may be offered only by a Member designated in this report, shall be considered as read, shall be debatable for the time specified in this report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for

division of the question in the House or in the Committee of the Whole. The resolution waives all points of order against the amendments printed in part A of this report. The resolution provides one motion to recommit with or without instructions.

Section 2 of the resolution provides for consideration of H.R. 5046, the Comprehensive Opioid Abuse Reduction Act of 2016, under a structured rule. The resolution provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on the Judiciary. The resolution waives all points of order against consideration of the bill. The resolution makes in order as original text for the purpose of amendment an amendment in the nature of a substitute consisting of the text of Rules Committee Print 114–52 and provides that it shall be considered as read. The resolution waives all points of order against that amendment in the nature of a substitute. The resolution makes in order only those further amendments printed in part B of this report. Each such amendment may be offered only in the order printed in this report, may be offered only by a Member designated in this report, shall be considered as read, shall be debatable for the time specified in this report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. The resolution waives all points of order against the amendments printed in part B of this report. The resolution provides one motion to recommit with or without instructions.

#### EXPLANATION OF WAIVERS

Although the resolution waives all points of order against consideration of H.R. 4641, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

Although the resolution waives all points of order against the amendment in the nature of a substitute to H.R. 4641 made in order as original text, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

Although the resolution waives all points of order against the amendments to H.R. 4641 printed in part A of this report, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

The waiver of all points of order against consideration of H.R. 5046 includes waiver of clause 3(e)(1) of rule XIII (“Ramseyer”), requiring a committee report accompanying a bill amending or repealing statutes to show, by typographical device, parts of statute affected. The waiver is provided because the submission provided by the Committee on the Judiciary was insufficient to meet the standards established by the rule in its current form. The Committee on Rules continues to work with the House Office of Legislative Counsel and committees to determine the steps necessary to comply with the updated rule.

Although the resolution waives all points of order against the amendment in the nature of a substitute to H.R. 5046 made in order as original text, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

Although the resolution waives all points of order against the amendments to H.R. 5046 printed in part B of this report, the

Committee is not aware of any points of order. The waiver is prophylactic in nature.

**SEC. 6. GAO STUDY AND REPORT ON DEPARTMENT OF JUSTICE PROGRAMS AND RESEARCH RELATIVE TO SUBSTANCE USE AND SUBSTANCE USE DISORDERS AMONG ADOLESCENTS AND YOUNG ADULTS.**

(a) STUDY.—The Comptroller General of the United States shall conduct a study on how the Department of Justice, through grant programs, is addressing prevention of, treatment for, and recovery from substance use by and substance use disorders among adolescents and young adults. Such study shall include an analysis of each of the following:

(1) The research that has been, and is being, conducted or supported pursuant to grant programs operated by the Department of Justice on prevention of, treatment for, and recovery from substance use by and substance use disorders among adolescents and young adults, including an assessment of—

(A) such research relative to any unique circumstances (including social and biological circumstances) of adolescents and young adults that may make adolescent-specific and young adult-specific treatment protocols necessary, including any effects that substance use and substance use disorders may have on brain development and the implications for treatment and recovery; and

(B) areas of such research in which greater investment or focus is necessary relative to other areas of such research.

(2) Department of Justice non-research programs and activities that address prevention of, treatment for, and recovery from substance use by and substance use disorders among adolescents and young adults, including an assessment of the effectiveness of such programs and activities in preventing substance use by and substance use disorders among adolescents and young adults, treating such adolescents and young adults in a way that accounts for any unique circumstances faced by adolescents and young adults, and supports long term recovery among adolescents and young adults.

(3) Gaps that have been identified by officials of the Department of Justice or experts in the efforts supported by grant programs operated by the Department of Justice relating to prevention of, treatment for, and recovery from substance use by and substance use disorders among adolescents and young adults, including gaps in research, data collection, and measures to evaluate the effectiveness of such efforts, and the reasons for such gaps.

(b) REPORT.—Not later than 2 years after the date of enactment of this Act, the Comptroller General shall submit to the appropriate committees of the Congress a report containing the results of the study conducted under subsection (a), including—

(1) a summary of the findings of the study; and

(2) recommendations based on the results of the study, including recommendations for such areas of research and legis-

lative and administrative action as the Comptroller General determines appropriate.
